

Grand Wood Park Study

When a resident indicates their interest to participate in the study:

- Please ask residents to sign up for a session time slot on the schedule provided
- Each session includes two parts: the first is 1.5 hours, the second will take less than 30 minutes later that same day. After the first session, participants will be given a questionnaire and asked to complete it and return with it to their second session.
- The attached appointment cards can be used to remind participants of their assigned date and times.
- Please encourage participants to sign up for the first 10 slots, if we need to use the last five (greyed out) slots we can use those for overflow. If there is more interest, we can repeat this schedule on a second day.

Thank you for signing up for our study!

Date _____ Session 1 _____ in _____

Session 2 _____ in _____

Both sessions will take place on the same day.

After the first session you will be given a questionnaire to fill out and return at your second session.

Any questions? email avital.sternin@uwo.ca
